Instructions for Using BEA's eFile System

eFile is BEA's electronic filing system. For all BEA surveys except the BE-13 and BE-150, the eFile system makes use of fillable Adobe PDF forms. The system enables reporters to download the survey forms in PDF format for each reportable entity, enter the required data, save the data, and submit the forms securely to BEA. Respondents must have access to the Internet and Adobe Acrobat Reader version 7.0 or newer or Adobe Acrobat Professional version 7.0 or newer in order to use eFile. You can download the latest version of Adobe Acrobat Reader for free from http://www.adobe.com/products/acrobat/readstep2.html.

Click on one of the links below for instructions on how to use the eFile system.

Form: Below is the form for you to report. The form type has been selected based on information in our records. After submitting/saving your data with the PDF form, you can click the "Update Submission Status" button to verify the submission. If you have saved your data without doing a final submission, you can click the "Submit Saved Data" button to submit your data to BEA.

ID	Name	Country	Form		Submission Status	

You must download the forms one at a time. You must download a form for each entity being reported. With the exception of surveys that allow consolidation (such as the BE-45), even if two separate entities are to be filed using the same form type, you must download different copies of the form. There are identifiers built into each form which uniquely identify the entity being reported (even for newly added affiliates). Read the survey instructions carefully to find out when consolidation is allowed. When you click the button to download the form, you will see an option to save the form or open it. Choose OPEN. The form will then open up in your Adobe Acrobat software. We recommend that you work in the Adobe Acrobat software to complete the form. Note: We do NOT recommend working in the web browser. If your form opens up in a browser window, save it to your PC, then open your Adobe Acrobat software and open the file there. Working in the browser may cause you to lose data you have entered.

Step 6: Enter Data into the PDF Form

Enter your data into the PDF form. Some forms allow you to run a check of the entered data by clicking on the "Run Error Checks" button located on the first page. This check performs basic mathematical verification of certain data items (e.g. line 8 must = lines 4 + 5). You are not required to correct these errors identified before submitting the form to BEA. There are also some automatic checks that will be run when you submit or save data. These checks may require correction before the form can be submitted or saved.

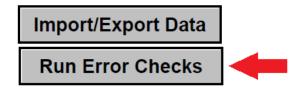

eFile

IMPORTANT: If you are using the free Adobe Acrobat Reader software, you will not be able to save data that you enter into the form. You can, however, submit a partially completed form and return to it later by downloading the form again from the *eFile* website. When you download the form after a submission, all of your previously saved data will be filled in. You can then save a copy of the form, along with the data you entered previously, to your computer.

When you are ready to submit your document, return to this page (either by scrolling back to the top or by using the buttons on the bottom of each page) and click the Save/Submit Data button. You will be prompted to select either a save or a final submission. You can also do a final submission from the *eFile* website. We will not use your data until you do a final submission.

Thank you for using the BEA *eFile* system.

Save/Submit Data

Step 7: Save or Submit the PDF Form

If at any point during the data entry process you need to stop working on the form, click on the "Save Data" button. Later, after you log back into eFile and download the PDF form again, all of your previously saved data will appear in the form. Continue entering data until you wish to save data again or submit your data to BEA.

IMPORTANT: If you are using the free Adobe Acrobat Reader software, you will not be able to save data that you enter into the form. You can, however, submit a partially completed form and return to it later by downloading the form again from the *eFile* website. You will be prompted to select either a save or a final submission. You can also do a final submission from the *eFile* website. We will not use your data until you do a final submission.

Thank you for using the BEA eFile system.

Import/Export Data Run Error Checks

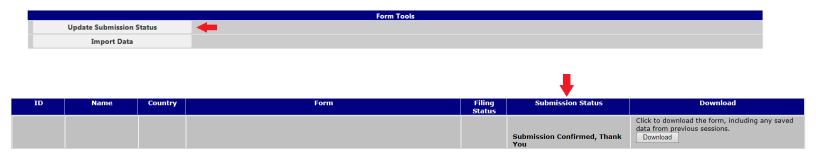

You can submit your data to BEA in three ways. 1) You can click the "Submit Data" button on each form. 2) You can click on the "Submit Saved Data" button for each form individually from the Report Homepage under Submission Status. 3) You can click on the "Submit All Saved Documents" button from the Report Homepage under Form Tools. The "Submit All Saved Documents" button will submit all of your saved data at once to BEA.

Step 8: Check the Status of the Submission

The status of all of your documents is shown on the Report Homepage under the Forms list. If you have submitted or saved documents since logging into the eFile system, you can update the status by clicking the "Update Submission Status" button which is under Form Tools. When you first submit a document, the submission status will say "Not Yet Processed". This will be updated to "Submission Confirmed, Thank You" after we download your data into our database. If you have saved data without submitting it, the submission status field will have a button to submit the saved data. You can submit a document multiple times. In most cases, we will process your latest submission and overwrite previous submissions. Other times we may contact you to verify changes made between submissions. Email efile@bea.gov if the submission status is not updated within 24 hours after a final submission.

SURVEY INFORMATION

Purpose: This survey collects data on the acquisition or establishment of U.S. business enterprises by foreign investors and the expansion of existing U.S. affiliates of foreign companies to establish a new production facility. The data collected on the survey are used to measure the amount of new foreign direct investment in the United States, assess the impact on the U.S. economy, and based on this assessment, make informed policy decisions regarding foreign direct investment in the United States.

Authority: This survey is being conducted under the International Investment and Trade in Services Survey Act (P.L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101-3108, as amended) hereinafter "the Act", and the filing of reports is MANDATORY pursuant to Section 5(b)(2) of the Act (22 U.S.C. 3104). The implementing regulations are contained in Title 15, CFR, Part 801.

Penalties: Whoever fails to report may be subject to a civil penalty of not less than \$2,500, and not more than \$32,500, and to injunctive relief commanding such person to comply, or both. Whoever willfully fails to report shall be fined not more than \$10,000 and, if an individual, may be imprisoned for not more than one year, or both. Any officer, director, employee, or agent of any corporation who knowingly participates in such violation, upon conviction, may be punished by a like fine, imprisonment, or both. (22 U.S.C. 3105.) Civil penalties are subject to inflationary adjustments. Those adjustments are found in 15 CFR 6.4.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.

Respondent burden: Public reporting burden for this BE-13A form is estimated to average 2.5 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing burden, to: Director, Bureau of Economic Analysis (BE-1), U.S. Department of Commerce, 4600 Silver Hill Rd. Washington, DC 20233; and to the Office of Management and Budget, Paperwork Reduction Project 0608-0035, Washington, DC 20503.

Confidentiality: The Act provides that your report to this Bureau is CONFIDENTIAL and may be used only for analytical or statistical purposes. Without your prior written permission, the information filed in your report CANNOT be presented in a manner that allows it to be individually identified. Your report CANNOT be used for purposes of taxation, investigation, or regulation. Copies retained in your files are immune from legal process.
