

# Suitland Federal Center Campus

## Metro

Take the Metro Green Line toward Branch Avenue and exit at the Suitland stop. Go up the escalator to the Mezzanine level. Proceed past the fare card machines and take the Up Escalator at the sign on the wall which reads **To Parking Structure, To Suitland Federal Center Shuttle (SFC)**. (**Do Not** exit at the mezzanine level as this level is for Metro buses only.)

At the top of the escalator, continue through the covered bridge until you reach the parking garage. The access point (Gate 7) to the Suitland Federal Center (SFC) from the Suitland Metro Station is located across from the left-end entrance to the Metro garage. Cross the street using the pedestrian walkway, under the canopy, to the new visitors center, which is located just inside the SFC. Proceed through the main entrance. If you have a Visitor's Pass, show it to the guard. If you do not yet have a Visitor's Pass, you must obtain one from the guard. To do so, individuals will need photo identification, along with the name and telephone number of their point of contact at the Bureau of Economic Analysis (Jeremy Smith, 301-278-9057). Enter the lobby through the main entrance and call your point of contact, Jeremy Smith.
