### Acknowledgments

The work summarized in this article was made possible with contributions from a number of people in BEA's Regional Economic Accounts directorate, National Economic Accounts directorate, and Office of the Chief Economist. The core implementation team included Bettina Aten, Eric Figueroa, Solomon Kublashvili, Dylan Rassier, Brian Smith, and Jack York.

Prior to implementation, a BEA housing working group gave invaluable input into the research necessary for implementation. The working group included Bettina Aten, Christian Awuku-Budu, Ledia Guci, Sarah Osborne, Dylan Rassier, Casey Ross, Brian Smith, Rebekah Todd, Dirk van Duym, and Scott Wentland.

The following individuals also gave important input into implementation: Melissa Braybrooks, James Choy, Marina Gindelsky, Tom Howells, Arnold Katz, Bob Kornfeld, Jennifer Lee, Carrie Litkowski, Lisa Ninomiya, Mauricio Ortiz, Joel Platt, Erich Strassner, Dave Wasshausen, Cliff Woodruff, Marcelo Yoon, Dan Yorgason, Jeff Young, Steve Zemanek, and members of BEA's National Accounts Methods Board. In addition, Marina Gindelsky and Scott Wentland provided useful analysis using linked data from the ACS and the Zillow Group.

Finally, comments from Katherine Abraham, Joel Prakken, Dan Sichel, and other members of BEA's Advisory Committee and contributions from the following presenters and discussants at two previous BEA Advisory Committee meetings (May 2018 and November 2019) on housing services were essential in laying a foundation for implementation: Bettina Aten, Robert Cage, David Johnson, Dale Jorgenson, André Loranger, Raven Malloy, Dylan Rassier, Marshall Reinsdorf, Erich Strassner, Randal Verbrugge, Susan Wachter, Dave Wasshausen, and Scott Wentland.
