

BEA Weekly Covid-19 Guidance

Announced Friday of each week

Risk Level	Masks Required	Testing if Unvaccinated
 Low		
 Medium		
 High		

You are free to wear a mask at any time if you prefer. BEA leadership may require masks for a few limited settings if needed.

Screening tests would be required only for employees, contractors, and visitors who are not fully vaccinated. (You are fully vaccinated two weeks after receiving two doses of mRNA vaccine or a single dose of Johnson & Johnson).
